**Tax efficient giving – stocks and shares**

Giving stocks and shares can be a particularly tax-efficient way of donating to the College. Generous tax relief is available to donors, combining relief on Income Tax and Capital Gains Tax.

Gifts of stocks and shares qualify for tax relief equal to the market value of the investments on the day the gift is made, including associated costs such as broker fees. The tax relief can be claimed for the year in which the gift is made.

**If you would like to take advantage of this relief, please complete the Share Donation Form.**

A gift to the College of £10,000 worth of shares made by an individual who is a basic rate tax payer would reduce his or her Income Tax by £2,000 for the year; the same gift would reduce a 40% taxpayer's Income Tax by £4,000 and from 2010/2011 would give a £5,000 reduction for those with taxable income over £150,000.

Additionally, the donor would not have to pay any Capital Gains Tax (CGT) on any increase in the value of the shares since they were acquired. If the shares have gone down in value, however, it is not possible to use this loss to offset any other CGT liabilities.

	tax rate:	40%	50%
Value of shares donated to Winchester College (with a chargeable gain of, say, £4,000)		£10,000	£10,000
Donor deducts the £10,000 from annual income liable to tax (assuming a 40% & 50% tax rate)	tax saving:	£4,000	£5,000
Donor saves a further 18% in CGT, which would have been paid on selling the shares	tax saving:	£720	£720
<b>Net cost to donor</b>		<b>£5,280</b>	<b>£4,280</b>
<b>Winchester College receives</b>		<b>£10,000</b>	<b>£10,000</b>

- Upon receipt of your Share Donation Form, the College's stockbroker will contact your stockbroker to arrange the transfer.
- Unless advised to the contrary in advance, it is the College's normal policy to sell all shares donated upon receipt to free up the funds to support its relevant activities immediately.
- The College's stockbrokers are:  
UBS AG  
1 Curzon Street, London W1J 5UB,  
Telephone: 020 7567 0707

  - shares in a UK Open-Ended Investment Company (OEIC)

  - holdings in certain foreign collective investment schemes – generally schemes set up outside the UK that are similar to AUTs and OEICs

- You do not need to be resident in the UK to benefit from this relief, so long as you pay sufficient UK Income Tax and/or Capital Gains Tax to cover the relief.
