I love being on holiday because I can do whatever I want. **In the morning**, I get up late and I do not **wash**! My parents do not know about it because they work. I **watch TV** all morning. Then, I **relax** all day. Sometimes, I go and see **my friends** or I go out if the weather is nice. When I am **in town**, I like shopping or sometimes I go to the cinema. However, I do not like going to my **grandparents'**. They really are too **annoying**. I am not allowed to play in the garden and I have to **go to bed** early. Unfortunately, the holidays will be over **next week**.

b) Je ne suis pas d'accord !

I find the holidays so **boring**! I never have anything to do. I really prefer going to **school**. It is better because I can spend time with my **best friend**. During the **break**, we can play together. We quite like **singing** for example. When I am on holiday, I spend all my time on my own, in **my bedroom**. I have some things to do, like **reading**, but it is not very **fun**. My friend lives far away, **in Germany**, so we never see each other. Once, I went to see her **by plane**, but I will not do it again because it is expensive and it is scary.
