

WINCHESTER  
COLLEGE

Election 2019

Geography

Monday 5<sup>th</sup> May 1400 – 1530

Leave this question paper behind at the end of the exam

Time allowed: 90 minutes

This paper consists of six questions in two sections:

- Section A (essays)
- Section B (data response).

Answer **TWO** questions from Section A and **ALL** of Section B. You should aim to spend no more than 30 minutes on each answer. Credit will be given for relevant sketch maps and diagrams illustrating your answers.

All questions carry equal marks.

Please start each question on a new sheet of paper.

**SECTION A**  
**QUESTIONS 1-5**

Answer *two* questions from this section.

1. What will environmental management look like in the second half of this century?
2. It is often assumed that globalisation will make the world a more similar place. How might it actually be making the world a more varied place?
3. Where can wilderness be found in Britain?
4. Within physical geography, what is the significance of roundness?
5. What was geographical about your journey to Winchester College?

Each question is worth 20 marks

## SECTION B

Answer *all* questions in this section.

### QUESTION 6

You have been provided with a small amount of gravel. Please assess this to the best of your geographical ability.

Your assessment may be quantitative or qualitative.

(20)

(Quantitative research is the systematic empirical investigation of things via counts and measures. Qualitative research refers to the meanings, concepts, definitions, characteristics, metaphors, symbols, and description of things.)
