Total time allowed: 20 minutes

**THE TEACHER MUST NOT HELP THE CANDIDATE IN ANY WAY  
DURING THE PREPARATION OF THIS ORAL EXAMINATION**

- Candidates should be given 10 minutes to prepare the photocard
- The oral exam should take about **6 or 7** but **no more than 10 minutes**.
- No dictionaries or reference materials are to be used by the candidate while he is preparing his role play.
- They may make notes during his preparation time, which they may refer to during the exam.
- Do the photocard first, followed by the general conversation.
- Please rephrase questions if candidates do not understand them at first.
- Please make sure that the candidate has an opportunity to use a variety of tenses

**30 marks**

There are two sections in this test: a photocard and a conversation based on a list of **SIX** questions. The teacher may ask others that keep the conversation going. However, there must be evidence of all three time-frames.

**Dictionaries are not allowed during the preparation of the photocard or in the course of the examination.**

The marking of the test will be done centrally at Winchester College. The photocard will be marked out of 15 and the conversation out of 15.

*All candidates must be recorded and all recordings sent to Winchester College via e-mail, as an MP3 attachment to [entrance@wincoll.ac.uk](mailto:entrance@wincoll.ac.uk). WeTransfer (<https://wetransfer.com/>) is the preferred method for high capacity attachments. Filenames should take the following format: SURNAME First name SCHOOLNAME 2021, e.g. SMITH John PILGRIMS 2021.mp3*

***Please do not send CDs or cassettes.***

### **Section One: Photocard**

There is only **one** photocard. Candidates may have **ten** minutes to prepare it. For reasons of security, please ensure that the content of the card remains unknown to all candidates until the beginning of their preparation time and that candidates do not leave the examination room with a copy of the test.

### **Section Two: General Conversation**

The general conversation will be the same for all candidates. Candidates will be asked a **selection of questions**, for which they should be encouraged to add as much detail to their answer as they can and to use as wide a variety of tenses as possible. Examiners should feel free to rephrase a question to help those candidates who do not immediately understand.

*If this test is to be helpful to all parties - particularly to the successful candidates, who will gain nothing by being placed in a set that is beyond their level – it is essential that **candidates should not be aware of the questions before the examination.***
