

Teaching arrangements in January 2021

Dr Cullerne has outlined the testing protocols accompanying the staggered return of boys at the start of next term.

We will be aiming during the course of this staggered return to offer total continuity of education. Year groups waiting to return to Winchester will receive remote tuition through MS Teams. During the period of COVID-19 testing for their year group, they will work up to house and they will then resume normal face-to-face lessons at the first opportunity.
