

WINCHESTER  
COLLEGE

SIXTH FORM  
DAY & BOARDING

DAY AT  
WINCHESTER

[www.winchestercollege.org](http://www.winchestercollege.org)

REGISTERED CHARITY NO: 1139000

## JOINING THE SCHOOL

- On joining the school, day pupils will be welcomed into one of the school's existing houses. Your house is where you will eat all your meals, meet your house tutor, have space to study and socialise and, for day boys, get changed for activities.
- Day girls will also have access to a separate house, located at the heart of the campus on Kingsgate Street, where you can catch up with other girls, shower, change and store your belongings.

## A TYPICAL WEEK

We encourage day pupils to play a full part in the busy and extended life of the school.

### Morning

- The day begins at 0800 for breakfast and registration. Lessons take place from 0845 to 1040 and 1105 to 1300. In any study periods, you may choose to study in the school's library (a 14th century building housed in the oldest part of the school campus) or one of the communal study areas in your house.

### Lunch

- House lunch takes place at 1300. You can expect many lively and informed conversations with friends and staff.

### Afternoon

- Afternoons are either a mix of lessons and activities, or devoted entirely to extra-curricular pursuits. On Mondays, Wednesdays and Fridays, lessons finish at 1800, followed by tea in your boarding house. On Tuesdays, Thursdays and Saturdays, afternoons are entirely dedicated to extra-curricular activities. We hope that all Sixth Form pupils will take advantage of the extensive range on offer, whether that is sport, community service, CCF, music, art, drama, or one of the many clubs and societies.

### Evenings

- Day pupils will be expected to stay for tea every day from 1800-1830 and at least one day a week for homework, which finishes at 2115.

## Weekends

- Saturday mornings follow a normal weekday timetable until 1300; house lunch takes place at 1300 and in the afternoons most pupils will have sports, music or other extracurricular commitments. There are occasional Sunday events involving all pupils, such as Remembrance Sunday and house competitions, but generally day pupils will go home after their Saturday afternoon activities, returning to school for 0800 on Monday.

## Your year group

- Each year we offer places in our Sixth Form to those pupils who will get the most from a Winchester College education. We welcome the brightest pupils who will thrive in this environment and contribute most to the school community.
- Winchester class sizes throughout the school are small and this remains the case for A-levels. Teaching sets range from 8 – 14 pupils, allowing for both individual attention and a strong cohort of motivated peers, and your 'Div' will usually include 12 – 14 pupils.

## Extra-curricular activities

- All pupils are encouraged to take advantage of everything the school has to offer, and to try something new. The weekly timetable ensures day pupils will have the same time available as boarding pupils to pursue their interests.
- We encourage all pupils to build physical activity into their day and your tutor will check in with you each week to help you find the right balance.

## TRANSPORT

- Winchester College is conveniently located for all forms of transport. We're a ten minute walk from the train station, and a number of bus and cycle routes go right past the school.
- As part of our sustainability commitments, we're keen to minimise the use of cars where possible and have safe and secure storage for bikes across the campus.
