MR ADAM ROTHWELL

Forthcoming Housemaster

Kingsgate House (Beloe's)

September 2026

Adam comes to Winchester from Cranleigh School, where he has taught since 2015. Adam spent seven years as Head of History at Cranleigh before moving into a boys' boarding house as Deputy Housemaster four years ago. Since 2016, he has also been Master of the Academic Scholars.

Before moving to Cranleigh, Adam taught at Oakham School where he oversaw Oxbridge applications as well as being an Assistant Housemaster in a boys' boarding house.

Adam was educated at Dulwich College and Gonville and Caius College, Cambridge, where he studied History at undergraduate and master's level.

Adam is moving to Winchester with his young family. When not spending time with them, he loves looking at old paintings and old buildings, and reading about more modern history.
