WINCHESTER
COLLEGE

School Aims and Principles of Boarding

We aim to uphold the personal qualities of

Character,
Conversation,
Curiosity,
Foresight and
Leadership.

Character
We exhibit manners, kindness, honesty and punctuality at all times. We are a happy, inclusive, open, tolerant, trusting and well-ordered community, and we respect each other's privacy. We seek to be free of any kind of abuse, teasing and harassment or bullying.

Conversation – developing the confidence to talk to anyone in any situation
Our aim is to foster and encourage an atmosphere of intellectual, spiritual, and cultural growth in which pupils of all ages and adults converse with mutual respect.

Curiosity – continually seeking to explore, investigate and discover
All pupils are encouraged to develop a lifelong love of learning and always to have the confidence to ask for help if needed. We celebrate and reward good conduct and achievement, and recognise it in Preces and other House meetings, in Chapel and in the award of Headmaster's Commendations and Awards for Outstanding Contribution.

Foresight – preparing for the future, not just today
We embrace healthy and ethical living and provide well for physical development through team sports. We develop responsible attitudes to the environment.

Leadership – developing leadership skills based on teamwork
We confront problems and find solutions to them together. We co-operate with those in authority.
